Subject: Division Directive to Reclaim, Terra Resources, LLC, Dove Creek Pass Quarry, S/003/052, Box Elder County, Utah

Dear Mr. Sagers:

Your Dove Pass Quarry, located in portions of sections 21, 22 and 27, Township 13 North, Range 16 West, Box Elder County, Utah is not in compliance with the Utah Mined Land Reclamation Act and administrative Rules:

- You have failed to remit the \$150.00 annual permit fee,
- You have not posted a reclamation surety for this site, and
- The site has been inactive for nearly 7 years, and has not been reclaimed.
- Your mineral leases for this site were cancelled (you no longer have the legal right to remove stone. The Division was notified by SITLA in October of 2000. To date they have not been renewed.)

You are hereby directed to:

1. Within 30 days remit the permit fee of \$150 for this site, and
2. Within 30 days provide a reclamation surety for this site in the amount of 18,600. (Contact Beth Ericksen at (801) 538-5318 or email - [bethericksen@utah.gov](mailto:bethericksen@utah.gov) for the proper forms for the reclamation surety and reclamation contract), and
3. By June 30, 2007, commence reclamation of site. Reclamation work (including seeding) must be completed by October 15, 2007, or
4. By June 30, 2007 submit a Notice of Intention to Commence Large Mining Operations for this site, including evidence that you have obtained the mineral and surface leases for this site.
